REACH COMPLIANCE STATEMENT

August 15, 2018

Under the definition of REACH regulations EC1907/2006 Reliable Silver Corporation is a producer of “articles”. REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight. The EU announced on January 15th, 2018 an updated list of the candidate 181 SVHC chemicals. The list can be found at:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

In addition to recent changes made in Annex XVII fall within this list of SVHC: Per COMMISSION REGULATION (EU) No 276/2010 of 31 March 2010

Based on the material content certifications provided by Reliable Silver Corporation’s suppliers, none of these substances are present in the materials we use in our products, including packing and shipping material. Therefore, Reliable Silver Corporation’s products do not contain any of these SVHC in excess of 0.1% by weight.

Reliable Silver Corporation will continue to comply with REACH requirements and notify customers of any change in article content.
